Home About CV Testimonial Contact

The sketch illustrates a website layout for an 'About' page. At the top, there's a header bar with a 'Logo' icon and five navigation links: Home, About, CV, Testimonial, and Contact. Below the header is a large square placeholder for an image or video, featuring a large 'X' drawn through it. To the right of this placeholder is a vertical column of six horizontal lines, likely representing copy space. In the center of the page is a video player placeholder, which includes a play button icon inside a circle. On either side of this central video player are two columns, each containing a horizontal line and a vertical list of five bullet points. At the bottom of the page is a footer bar with five social media icons: a person icon, a mail icon, a linked circle icon, and a film icon. Below the footer are five navigation links: Home, About, CV, Testimonial, and Contact. At the very bottom of the page is a copyright notice: '©2024; designed by Lidia.A'
